## *Dear Ladies of the Club,*

Can you believe we are nearing the end of our Club year?! Our Annual Meeting is early this year, but we have much to report. Please plan to join us for a recap of our many committee activities this Wednesday. We will have a report on Historic Garden Week– spoiler alert: it was a HUGE success! Thank you to Kelley Flanders and her wonderful HGW committee members and all of you in the Club. This is our biggest joint effort of the year, and it's always spectacular.

We will also vote on membership changes and new members. And we will celebrate after the meeting with a lovely reception by our meeting hosts, Beth Scripps and Robin VonSeldeneck. Please note that the meeting will begin promptly at 4 p.m., with the reception at the end of the meeting.

My apologies for such a brief newsletter this month. With the Garden Club of America meeting last weekend, getting back from vacation, and planning for my daughter's college graduation next weekend, there just haven't been enough hours in the day this week. I hope to do a full end-of-the-year newsletter in early June to provide you with updates and up-coming plans for the 2018-19 year. Look forward to seeing you Wednesday!
